Dividends are declared in US dollars but may be paid to you in either US dollars or sterling. All shareholders are paid by cheque in US dollars, unless they have previously instructed the Company's share registrar, Computershare Investor Services PLC (the 'Registrar'), to pay dividends to you by bank transfer to a sterling bank account, or they elect for payment by cheque in sterling. The Registrar must receive any such election at least two business days prior to the record date of the dividend for it to be valid for that dividend. An election received after this date will be applied to subsequent dividends only.

If you wish to mandate your UK pounds sterling dividend to be paid directly into a UK bank or building society account you should contact the Registrar (at the address overleaf).

Shareholders wishing to give instructions in relation to the currency of their dividend must complete and submit this Form of Election. If instructions are received in any other format or this form is incomplete the shareholder's instruction will be deemed invalid and rejected. Vedanta Resources plc and Computershare Investor Services PLC will not accept any liability in relation to any such rejected instructions.
