

Creating a Global Diversified Natural Resources Major

Sesa Sterlite Merger and Vedanta Group Consolidation

February 2012

Cautionary Statement and Disclaimer

The views expressed here may contain information derived from publicly available sources that have not been independently verified.

This presentation and its contents are confidential and should not be distributed, published or reproduced (in whole or in part) or disclosed by recipients to any other person.

No representation or warranty is made as to the accuracy, completeness, reasonableness or reliability of this information. Any forward looking information in this presentation including, without limitation, any tables, charts and/or graphs, has been prepared on the basis of a number of assumptions which may prove to be incorrect. This presentation should not be relied upon as a recommendation or forecast by Vedanta Resources plc ("Vedanta"). Past performance of Vedanta cannot be relied upon as a guide to future performance.

The securities to be issued pursuant to the proposed reorganization described herein have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the "Securities Act") and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act.

The information in this document is being provided by Vedanta and is subject to change without notice. The information contained in this document is as of 23 February 2012. Neither the delivery of this document nor any further discussions of Vedanta with any of the recipients shall, under any circumstances, create any implication that there has been no change in the affairs of Vedanta and its subsidiaries since that date. The document contains statements which constitute "forward-looking statements". Such forward-looking statements involve risks, uncertainties and other factors which may cause the actual results, performance or achievements of Vedanta and its subsidiaries to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. There can be no assurance that the results and events contemplated by the forward-looking statements contained herein will in fact occur. None of the future projections, expectations, estimates or prospects in this document should be taken as forecasts or promises nor should they be taken as implying any indication, assurance or guarantee that the assumptions on which such future projections, expectations, estimates or prospects have been prepared are correct or exhaustive or, in the case of the assumptions, fully stated in the document. Vedanta and its subsidiaries assume no obligations to update the forward-looking statements contained herein to reflect actual results, changes in assumptions or changes in factors affecting these statements.

This presentation is not intended, and does not, constitute or form part of any offer, invitation or the solicitation of an offer to purchase, otherwise acquire, subscribe for, sell or otherwise dispose of, any securities in Vedanta or any of its subsidiary undertakings or any other invitation or inducement to engage in investment activities, nor shall this presentation (or any part of it) nor the fact of its distribution form the basis of, or be relied on in connection with, any contract or investment decision.

Certain information in this presentation, in particular the pro forma financial metrics for the 12 months to December 2011, is based upon unaudited management accounts.

Unless otherwise indicated, all references in this presentation to "US dollars", "US\$" and "\$" are to the lawful currency of the United States and all references to "INR" are to "Indian Rupee", the lawful currency of India. For the purposes of this presentation and unless otherwise stated, for the convenience of the reader, (i) the US dollar to INR exchange rate of 1:49.2, the rate quoted by the Reserve Bank of India on February 22, 2012, has been applied for translation of balance sheet items from INR to US dollar and (ii) the US dollar to INR exchange rate of 1:46.7, the average rate quoted by the Reserve Bank of India for the period from January 1, 2011 to December 31, 2011, has been applied for translation of all income statement items from Indian Rupee to US dollar. All such translations should not be considered as a representation that such currencies could have been or could be converted into US dollars or INR (as the case may be) at any particular rate, the rate stated or at all.

- (e) You are a person who is permitted under applicable law and regulation to receive information of the kind contained in the transmission; and
- (f) You have read the foregoing disclaimer and acknowledge the terms and conditions set forth in the disclaimer.

If you are unable to give any of the foregoing representations, please do not proceed to read this presentation.

Agenda

Transaction Overview and Rationale

Sesa Sterlite – India's Natural Resources Major

Transaction Summary and Approvals

Summary

Appendix

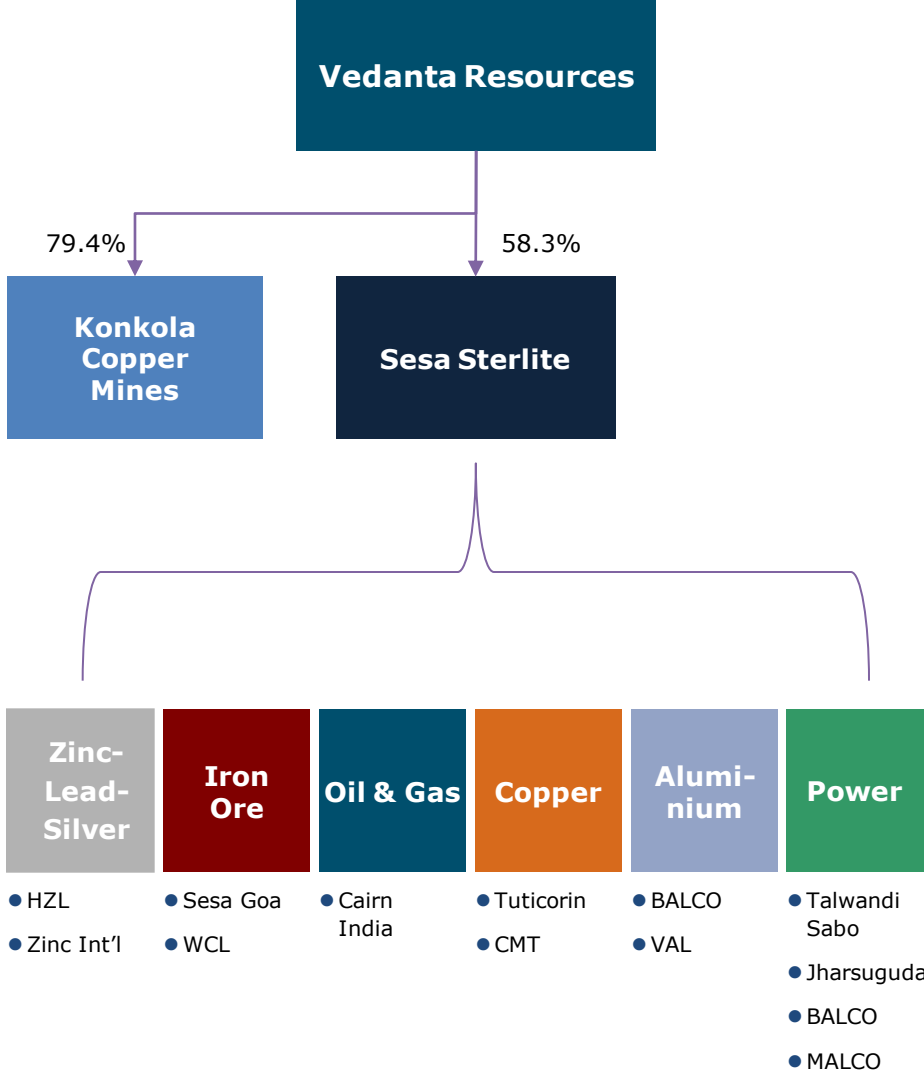

Transaction Highlights

- Creation of Sesa Sterlite: expected to be 7th largest global diversified natural resources major¹
- Consolidation and simplification of Group structure
- Significant synergies expected: up to c.INR 1,000 Crore (\$200m) p.a.
- Earnings accretive for Sesa Goa, Sterlite and Vedanta
- Subject to shareholder, regulatory and other approvals
- Expected to close during CY 2012

1) Ranked by EBITDA in the twelve months ended December 2011 from public filings

New Group Structure

- Merger of Sesa Goa, Sterlite, VAL and MALCO to form Sesa Sterlite
- Consolidation and simplification of Group structure
- Group's 58.9% ownership in Cairn India to be held by Sesa Sterlite
- KCM remains directly held by Vedanta

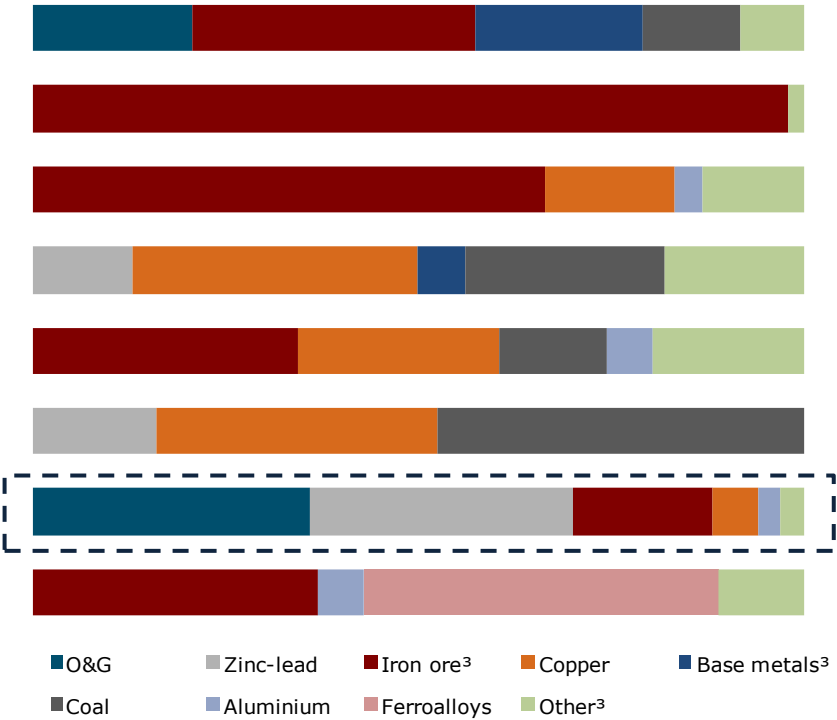

Note: Shareholding based on basic shares outstanding

A Global Diversified Natural Resources Major

Top 8 Global Diversified Natural Resources Companies

	Market cap (\$bn)	EBITDA (CY11 - \$bn)	Earnings (CY11 - \$bn)	P/E (CY11)
BHP Billiton	193.9	38.5	23.1	8.4x
Vale	133.8	33.8	22.9	5.8x
Rio Tinto	113.3	28.5	15.5	7.3x
Glencore Xstrata ¹	85.0	16.2	8.0	10.6x
Anglo American	56.2	13.3	6.2	9.1x
Teck	23.8	5.5	2.7	8.8x
Sesa Sterlite²		5.3	2.4	
ENRC	14.6	3.6	2.2	6.8x
Median P/E				8.4x

Greater Scale and Diversification

Source: Company filings and broker reports. Market data as of 22 February 2012
 Note: Commodity split based on pro forma EBITDA for Sesa Sterlite and EBIT for major diversified mining companies, apart from Glencore Xstrata which is CY2011 extracted without material adjustment from the Xstrata unaudited preliminary results for the year ended 31 December 2011 and Glencore's unaudited profit estimates for certain financial information in respect of the year ended 31 December 2011
 1) Assumes proposed merger completes
 2) Pro forma EBITDA and earnings in the twelve months ended December 2011
 3) Iron ore includes all ferrous metals for Vale; base metals includes copper and zinc-lead for BHP Billiton, other includes energy/power

Simplifying Group Structure

Corporate

- Consistent with strategy to consolidate and simplify the Group structure
- Eliminates cross holdings

Financial

- Improves capital structure
- Improves allocation and cost of capital
- Enhances fungibility of cash
- Enhances visibility of earnings and cash flows
- Broader access to capital

Simpler and More Efficient Structure

Delivering Synergies

Operational

- Procurement
- Economies of scale
- Leveraging technical expertise

Capital

- Lower cost of capital
- More efficient movement of Group cash
- Flexibility to allocate capital

Corporate

- Elimination of reporting entities
- Elimination of joint functions
- Tax efficiency

Up to
c.INR 1,000 Cr /
\$200m p.a.

Expected to be Earnings Accretive for Sesa Goa, Sterlite and Vedanta

Agenda

Transaction Overview and Rationale

Sesa Sterlite – India's Natural Resources Major

Transaction Summary and Approvals

Summary

Appendix

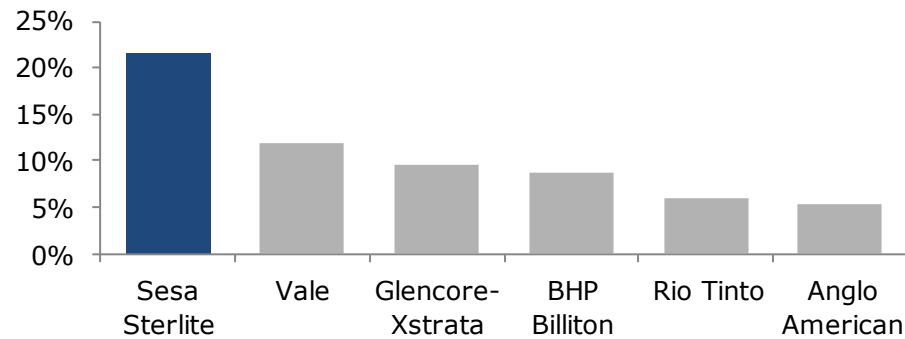

Industry Leading Growth

- World-class asset portfolio with low cost structure and proximity to high-growth markets
- Diversified earnings and cash flows
- Industry leading production growth
- Growth maintains low-cost structure and is balanced across commodities
- Track record of successfully integrating and growing acquired assets

Year-end Capacity (in Copper Equivalent)¹

Industry Leading Growth (Copper Equivalent FY'11-12 to FY'14-15 CAGR)²

Growth Capital Largely Invested – c.2x Capacity Growth Expected in the Next 3 Years

1) All metal and power capacities rebased to copper equivalent (defined as production x commodity price / copper price) using commodity prices as at 14 February 2012. Copper custom smelting capacities rebased at TC/RC for H1 FY2012
 2) Sesa Sterlite based on year-end capacity growth, peers based on equity research production estimates. Converted into copper equivalent at spot prices

Wide Geographic Footprint

India

Oil and Gas

- Rajasthan
- Cambay
- Ravva
- East Coast
- West Coast
- Sri Lanka

Zinc-lead-silver

- Debari smelter

Current Group Structure

Note: Shareholding based on basic shares outstanding

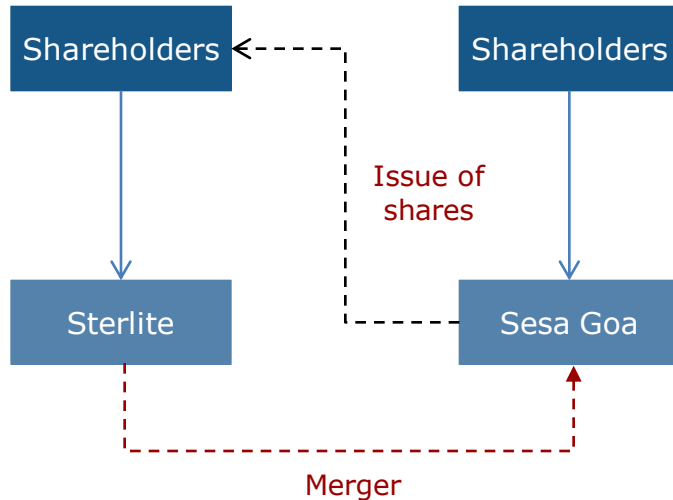

New Group Structure

Note: Shareholding based on basic shares outstanding

Summary Transaction Mechanics – Step 1 (a)

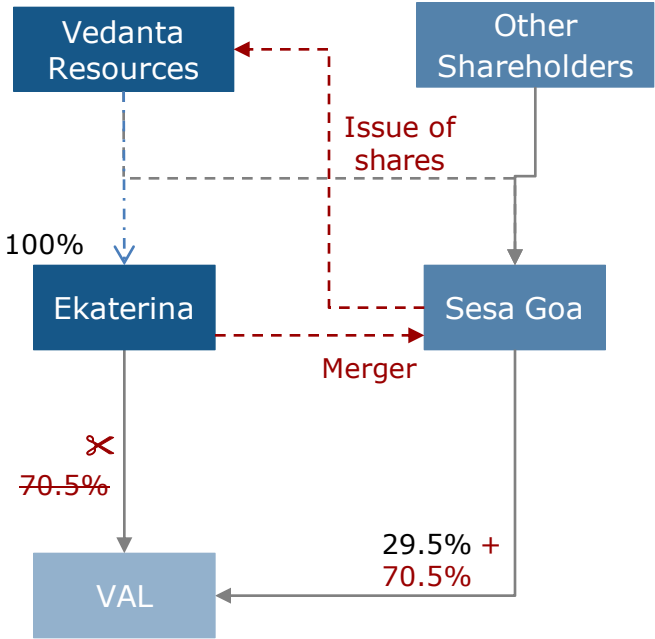

Sterlite Consolidation

- Sterlite to merge into Sesa Goa
 - In consideration, Sesa Goa to issue shares to the shareholders of Sterlite based on the share swap ratio
 - Sesa Goa would be required to issue ADSs to the existing ADS holders of Sterlite
 - FCCB conversion price/entitlement ratio to be adjusted based on the share swap ratio

Summary Transaction Mechanics – Step 1 (b)

VAL Consolidation

- Vedanta’s stake in VAL will be consolidated in Sesa Sterlite through merger of Ekaterina Limited (“Ekaterina”), a 100% subsidiary of Vedanta in Mauritius, with Sesa Goa
- In consideration, Sesa Goa will issue shares to the shareholders of Ekaterina based on the share swap ratio

Summary Transaction Mechanics – Step 1 (c)

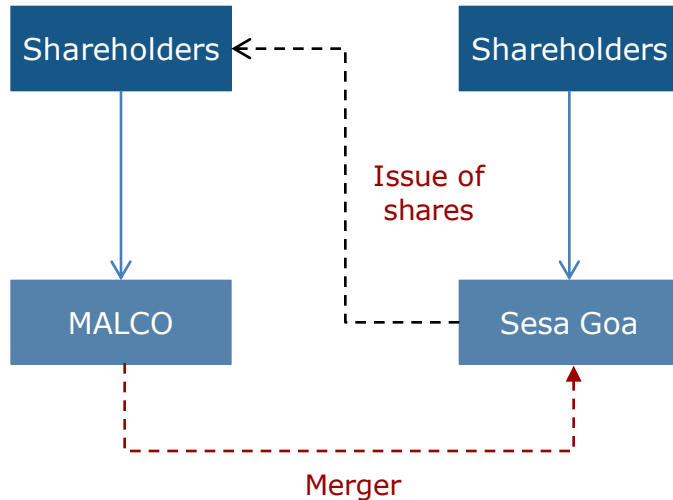

VAL Consolidation

- VAL to demerge its 'aluminium business' undertaking into Sesa Sterlite
 - Demerger shall be effective after VAL becomes a subsidiary of Sesa Sterlite pursuant to the merger of Sterlite and Ekaterina
 - No shares issued on demerger – VAL being wholly-owned subsidiary of Sesa Goa (post Step 1(a) and 1(b))

Summary Transaction Mechanics – Step 1 (d)

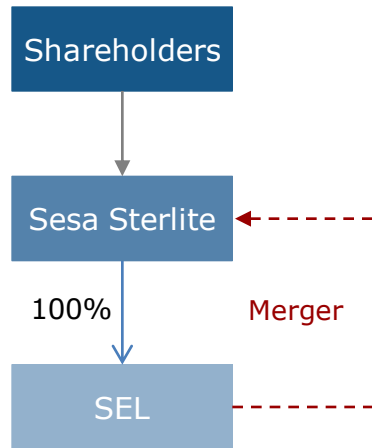

MALCO Consolidation

- MALCO to merge into Sesa Goa
 - In consideration, Sesa Goa to issue shares to the shareholders of MALCO based on the share swap ratio
 - Shares held by MALCO in Sterlite will get extinguished on merger
 - Power plant of MALCO will be transferred to VAL as part of the same Scheme

Summary Transaction Mechanics – Step 1 (e)

SEL Consolidation

- SEL to merge into Sesa Goa
 - In consideration, no shares to be issued as SEL will be a wholly owned subsidiary of Sesa Goa (post step 1(a))

Summary Transaction Mechanics – Step 2

Transfer of Cairn India stake

- Currently, Vedanta holds a 38.8% stake in Cairn India through two subsidiaries, Twinstar Energy Limited (“TEL”) and Twinstar Mauritius Holdings Ltd. (“TMHL”)
- TMHL had acquired a stake in Cairn India by borrowed funds from Vedanta and banks
- Bloom Fountain Limited (“Bloom”), a wholly-owned subsidiary of Sesa Goa, shall acquire shares in TEL
